## SEEING SOUTH ASIA THROUGH CINEMA

Spring 2023  
Tuesdays and Thursdays  
9:05–10:20 a.m.

This course examines the dominant themes of Hindi cinema over the last seventy-five years. You will watch selected movies, read articles, and analyze the depiction of South Asian society and culture in movies throughout the years. Background in South Asian cinema or Hindi is not required to take this course as all films will have English subtitles.
